

STANDARD SYSTEM CABINETS

A good quality key cabinet does not need to be expensive. Our standard system cabinets are constructed from 1.5mm pressed and folded steel, provide the choice of five locking options, and have the flexibility to meet most domestic and commercial needs.

SYSTEM 30

- 1.5mm steel cabinet with flush closing rim to resist forced entry
- Adjustable colour coded and numbered hook bars allow the layout to be customised
- Ingenious key tabs are designed to hang so that the number is always visible
- Closed loops included for use with optional security seals
- Durable Light Grey paint finish will suit most environments
- Supplied with security lock and 2 keys

SKU: KC030

A white, rectangular SecurKey lock unit. It features a red keyhole in the center. Below the keyhole is a small rectangular label with the SecurKey logo, which consists of the word "SECURKEY" in red and black text, and a small circular icon to the right. The unit has a slightly raised, rounded top and bottom.
