

## RETRACTORS

Built to last and particularly suited for use in industrial and commercial sectors, our range of Retractors are perfect for securing tools, radios or phones. They're also ideal for people working at height and in situations where the loss of an item could have an effect on production downtime, or increase the risk of an injury on site.

Designed and manufactured in the USA, Retractors are constructed with high strength polycarbonate bodies and are available with four retraction forces. Specifically designed for heavy duty use in harsh weather conditions and water resistant environments.

- Secures your trusted tools, gear & electronic devices easily
- Tough polycarbonate case for durability
- 900mm High strength Kevlar® cord for quiet & smooth operation
- Cord locking system allows use at desired length
- 397g retraction force
- Quick release end fitting to release or change your gear
- Karabiner fixing clips easily to belt or bag

SKU: TRG-441
