

#### STANDARD SYSTEM CABINETS

A good quality key cabinet does not need to be expensive. Our standard system cabinets are constructed from 1.5mm pressed and folded steel, provide the choice of five locking options, and have the flexibility to meet most domestic and commercial needs.

#### SYSTEM 200/D

- A key cabinet with increased depth Ideal for storing bunches of keys
- Strongly made steel cabinet with flush closing rim to resist forced entry
- Adjustable colour coded and numbered hook bars allow the layout to be customised
- Ingenious key tabs are designed to hang so that the number is always visible
- Closed loops included for use with optional security seals
- Key locations can be recorded on the control index which is removable for added security
- Durable Light Grey paint finish will suit most environments
- Supplied with security lock and 2 keys
