

## PADLOCKS & PERSONAL SECURITY

Securikey stocks a wide range of Master Lock® padlocks and key storage as well as a selection of personal security items including post boxes, locker locks, cables and padlock accessories.

### 4400D BLUETOOTH SMART INDOOR PADLOCK

Master Lock® Bluetooth Smart padlocks give you the control to protect what matters most in your life. Using your smartphone and an easy to use app, you can unlock your lock, give your friends or relatives access anytime, or limit access to day or night. Control access to key areas by your workforce and review the entry log on your smartphone. Allow temporary access when necessary and receive tamper alerts via e-mail when an unauthorised attempt is made to open the lock.

- Opened using the Bluetooth Smart protocol in your Smartphone or device
- Share access with family, friends or work colleagues
- Use your smartphone to unlock padlock or enter the directional back-up code for easy backup without smartphone
- Corrosion resistant Zinc body with Boron Carbide shackle
- Double locking for added protection
- Compatible with: iOS 8 and next version / Android 4.3 and next version
- Battery type CR2450 (included)
- Low battery notification and reminder on padlock and in app ensures you always have access

SKU: 4400D
