

SPECIALIST KEY SYSTEMS

A lock is only as secure as its key so it is important to take key security seriously. Our range of specialist key systems have been developed from our standard 'System' range and are ideally suited to a range of applications. We have a specialist key system for padlock and key storage, emergency key holders, and clear fronted 'key view' doors.

SYSTEM 24/G

- Ideal for use in controlled areas such as security control offices
- Clear front allows quick visual check of 'keys out' without unlocking
- Easy to access in an emergency as the perspex can be broken
- Adjustable colour coded and numbered hook bars allow the layout to be customised
- Ingenious key tabs are designed to hang so that the number is always visible
- Key locations can be recorded on the control index which is removable for added security
- Durable Light Grey paint finish will suit most environments
- Supplied with security lock and 2 keys

SKU: KG024
