

EURO CYLINDER SYSTEMS

Developed around our standard 'system' cabinets, incorporating a Euro Profile cylinder for added security. The cylinder can be easily changed to incorporate the cabinet in to an existing suited system, or in the event of a security breach.

SYSTEM 100/PHZ EURO CYLINDER

- 1.5mm steel cabinet with flush closing rim to resist forced entry
- Adjustable colour coded and numbered hook bars allow the layout to be customised
- Ingenious key tabs are designed to hang so that the number is always visible
- Key locations can be recorded on the control index which is removable for added security*
- Ingenious key tabs are designed to hang so that the number is always visible
- Closed loops included for use with optional security seals
- Supplied with Euro profile cylinder security lock and 2 keys
- Use your own cylinder to incorporate the cabinet into an existing suited system
- Cylinder can be easily changed in seconds to ensure total security
- Durable Light Grey paint finish will suit most environments
