## WELCOME

For over 40 years Securikey has been a trusted partner of many UK companies and institutions, supplying a comprehensive range of innovative security and safety products which meet the requirements of even the most demanding of environments.

Combining our technical expertise and knowledge of security with continued evaluation of customer experience and development of our products, we have provided peace of mind and protection to people, buildings and businesses alike; from the smallest shop to the largest retail store; workshops

to factories; Local Authorities to Central Government Agencies; Financial Institutions to NHS Trusts, Schools, Colleges and Universities.

### EASY TO FOLLOW PRODUCT GUIDES

You can now watch our helpful **'How to use'** product guides on **YouTube**. These videos cover all areas of our product range from safes to padlocks, key cabinets to the various locking options available and can be viewed at either [securikey.co.uk](http://securikey.co.uk) or by searching under SECURIKEY at [youtube.com](https://www.youtube.com)
