# Phone Tether RATCH-IT Key Reel – 1200mm Kevlar ® Cord -Karabiner

## Ratch-IT Retractor that locks at 11cm intervals. Phone Teather

- Rugged black polycarbonate body with stainless steel 300 series spring.
- Lock out for freedom of movement
- 900mm Kevlar ® Cord
- A simple tug engages or releases the retractor
- Built to last 10x longer for continuous use
- 225 grams retraction force
- Keep your phone attached to you at work, in crowded areas, and during activities!
- Prevent your phone from falling out of pockets, between car and airplane seats.
- Easy-to-use single hand operation
- Unique Ratch-It retractable system provides the right amount of retractable cord slack in 5″ increments during use while allowing for easy cord return when no longer needed.
- Includes black split ring, attached black mini carabiner clip, and a universal cell phone anchor that slides between the phone and its case.
- Will not block the charging port or interfere with phone while in use.
