

Key-Connect Kevlar ® Cord - Twin Karabiner Fixing

Key-Connect Retractable Keychain

This Karabiner-and-orange-cord-equipped keychain will give you peace of mind knowing that your kids have their keys close at all times!

A metal carabiner easily attaches to backpacks, belt loops, and purses while a heavy-duty plastic carabiner efficiently manages multiple key rings so you can switch keys or anything else you want to tether without the hassle of opening key rings.

The bright orange cord and clear plastic case make it fun and interesting to carry while the 24" reach keeps items within reach and never lost.

- Easily Secures key rings to prevent loss
- Ability to retract up to 5 Keys
- 600mm Tether Cord lets you use keys without disconnecting
- Karabiner attaches to backpacks, belt loops, and purses
- Keeps your keys attached to your kids
- Clear body with Orange cord
- A FUN version of a proven SIDEKICK Retractable Keychain
